Introduction

An enthusiastic, open-minded and entrepreneurial individual with a positive attitude to life and who is willing to work hard. Friendly, trustworthy and works well with people.

Experience

Bright Network / Software Engineer Trainer

AUG 2022 - APRIL 2023 - Remote

Training students in the fundamentals of programming, Java, Spring, HTML, CSS, and React. A mixture of writing lessons and teaching classes with up to 30 students

Dún Laoghaire Institute of Art, Design & Technology / Associate Lecturer

JAN 2022 - PRESENT - Remote

Educating 50 first-year bachelor's students in the fundamentals of Web Design & Development over three weeks (every year). At the end of which each student designed, built and presented their website.

WebSpace / CEO & Founder

MAY 2017 - PRESENT - Remote

Fully designing and developing websites and providing ongoing technical support using Javascript, PHP, WordPress, React.js & Node.js. Specialising in what a client needs, and producing beautifully designed websites that are SEO-ready. Hiring, leading and educating a team of engineers and project managers, to deliver a successful project. At this point, the company has clients in Dublin, Edinburgh, Glasgow and Munich.

Blackrock Further Education Institute / Tutor

NOV 2020 - MAY 2022 - Remote

Providing one-on-one tutoring sessions for students who require additional support in their studies. Primarily tutoring Web Design, Web Development and Mathematics.

The Locker Room / CTO & Co-Founder

MAY 2019 - AUG 2021 - Dublin, Ireland

Building a complete digital eco-system for the company, including a front WordPress website, and a full-stack MERN Web Application integrated with Stripe's API. Web Hosting setup, Email setup, continuous monitoring, bug fixing and improvements.

Hiring developers and designers to aid me with designing and developing

Grade 8 Piano /

Royal Irish Academy of Music

The Locker Room's brand.

Translating requests from the CEO into new features for the application.

Providing technical support for customers.
